

The *Centre d'analyse stratégique* is a research and advisory institution under the authority of the Prime Minister. The Center's mission is to advise the Government on economic, social, environmental and technologic policy issues.

The Center provides the Prime Minister with briefs and forecasts concerning major national reforms.

It also conducts independent research initiatives as a part of its annual working program.

The Center draws upon an 11 member Steering Committee that includes two Members of the Parliament, two Senators and a member of the Economic, Social and Environmental Council.

It works in coordination with the main Councils of experts reporting to the Prime Minister :

- *le Conseil d'analyse économique*
- *le Conseil d'analyse de la société*
- *le Conseil d'orientation pour l'emploi*
- *le Conseil d'orientation des retraites*
- *le Haut Conseil à l'intégration*
